RE: CONSERVATION HEARING
Statewide Order No. 29-D-1
Lake Raccourci Commingling Facility No. 1
Lake Raccourci Field
Lafourche Parish, Louisiana
Our File No.280109.0252

Dear Sir:

On behalf of Hassie Hunt Exploration Company, application is hereby made for a public hearing to receive evidence concerning the following matters relating to the commingling of production from the leases and unit in the Lake Raccourci Field, Lafourche Parish, Louisiana, as set forth on Exhibit A attached hereto:

1. To authorize the commingling in the applicant's Lake Raccourci Commingling Facility No. 1 of gas and liquid hydrocarbons produced from the leases and unit shown on Exhibit A attached hereto in the Lake Raccourci Field, Lafourche Parish, Louisiana;
2. To approve the commingling of production from such leases and unit in the Lake Raccourci Field, and the allocation of production based upon monthly well tests in the manner proposed herein, in accordance with the provisions of Statewide Order 29-D-1;
3. To consider such other matters as may be pertinent.

Honorable Felix J. Boudreaux
Commissioner of Conservation

Attached hereto and made a part of this application are the following:

1. A diagrammatic sketch of the mechanical installation to be used, showing the flow of gas and liquid hydrocarbons, and the equipment to be used for full steam test of each well to be commingled.
2. Detailed explanation of the flow of gas and liquid hydrocarbons, the procedure and frequency of well tests and for calibration of any metering devices and allocation formulas to be utilized.

In the opinion of the applicant, the commingling of gas and/or liquid hydrocarbons and the use of well tests for allocations of production in the manner proposed will provide reasonably accurate measurement, will not create inequities, and will afford the owner of any interest the opportunity to recover his just and equitable share of production.

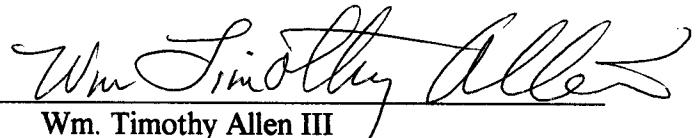

A list of names and addresses of all Interested Parties is attached hereto.

A check in the amount of \$700.00 is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. Richard Hudson, Lafayette District Manager of the Office of Conversation.

Very truly yours,
